**NEW YORK, NY** Offering holiday cheer to children living in five downtown New York City Housing Authority (NYCHA) developments that were affected by Super Storm Sandy, Tahl Propp Equities (TPE) donated and distributed bags full of Christmas toys at an afternoon party held at Campos Center, 633 East 13th St. Wrapping over \$5,000 in toys, the staff from TPE's management division, Manhattan North Management, worked with the NYCHA community organization teams to transform the gymnasium into a holiday party with balloons and arcade games.

Overseeing the holiday initiative was Manhattan North Management communications director and community liaison, Jaritza Taveras.
